

**At Zirch , we believe in providing personal customer solutions and delivering logistics Efficiently.**

We do this by achieving maximum productivity with minimum wasted effort or expense to our valued customers.

Zirch has a proud heritage drawn from 30 years of logistics experience gained in general and project logistics, liner ship agency, part charters and the specialised PNG - Pacific Island trade.

Established in 2015 as a logistics consultancy business, Zirch today provides a global end to end logistics service specialising in moving project freight and over dimensional cargo as well as warehousing and distribution from it's prime location at the Port of Brisbane, Australia.

Zirch is the Australian agent for global project logistics company Hansa Meyer Group headquartered in Bremen, Germany with over 25 owned offices and agents around the world. Zirch has the world covered.

## RESULTS DRIVEN

Zirch will satisfy your transport needs on time within budget and safely delivered.

## INDIVIDUAL APPROACH

Our team will work with you one on one to provide solutions on your logistics scope.

Efficient Logistics. Delivered.

**Ocean Freight** - less than container loads, full container loads, roll on /roll off, breakbulk, tug and barge and part charters.

**Airfreight** - consolidations and direct carrier.

**Road and Rail Transport** - in gauge, over dimensional, route surveys and crane hire.

**Customs and Quarantine Clearance** - duty minimisation through tariff concessions and utilising Free Trade Agreements.

**Cargo Load Out Supervision and Marine Surveying** - on site location inspection and supervision at customer, port, project site and warehouse.

**Container Consolidation & Deconsolidation** - general containers, open tops and flatracks - in gauge and over dimensional.
